

Forecast For London & Southeast England  
Issued by Met Office Exeter  
at 1600 on Monday 18 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:

Cloudy with outbreaks of rain overnight. Breezy and very mild.

This Evening and Tonight:

It will remain cloudy this evening with outbreaks of rain for most, especially towards the south coast, locally heavy at times. Cloud thickening as further rain arrives from the southwest by the end of the night. Breezy and very mild. Minimum temperature 15 deg C (59 deg F).

Tuesday:

Outbreaks of rain will move east across the region in the morning. Becoming drier and brighter briefly in the afternoon before further heavy rain arrives later. Breezy and warm. Maximum temperature 19 deg C (66 deg F).

Outlook for Wednesday to Friday:

Unsettled on Wednesday and Thursday with spells of rain at times. Coastal gales possible. Temperatures starting well above the average, but turning cooler Thursday and Friday, with further showers.
